## TREASURES.

# maiden sitting at the close of day

Within the shadow of a rose-wreathed bower, Deep brooding o'er a soul that's passed away, While fall her tears upon a faded flower— That sweet forget-me-not, thrice precious now, Since Death has set his seal upon the giver's brow!

et though the floweret now has lost its blue, Though dull and dead are its once lustrous eyes.
It gives the maid a peace she never kne w—
Noteven when 'twas plucked 'neath summer skies;
It leads her from the darkness of the tomb To him in that bright land where flowers are aye

A mother gazing on a curl of gold,
Or on two little shoes of brightest pink,
Which tell her of the time she did cufeld
Close in her breast- her heart about to sink—
Her blue-eyed boy the angels claimed one night;
The Lord had need of him where all is love and ligh

Her boy from her; and that the golden bair She treasures is her angel child's in Heaven; And that the little feet those shoes once shod Are bound now with the sandals of the love of God. An aged man, with waving silver'd hair.

A resy child asleep upon his knee,
Breathing with peace-throned smile a tender prayer,
When rapt in some cestatic reverie;
A precisus casket of the by-gone years
Within his hand, and wan leaves wet with sacred

But soon the fond one sees in her despair That in His love and wisdom God hath riven

The child is all unconscious as he sleeps,
That he's a link in that great golden chain,
Which joins each blessed one who vigil keeps
Around his grandsire, in the heavenly train;
The old man knows not what his life may be,
But for those treasures, and that child upon his kr
